LEARNING WITH LOVE

We provide your little ones with the very best of environment which is totally pollution free for learning. Although the emphasis is on closeness and togetherness just like a family, special care is taken for providing the best amenities for the over all development of the child.

Pre-school age is the most impressionable age in one's life. The rate of development at this age is so rapid that the child is able to imbibe almost everything provided, it is given to him in the form in which he can understand.

Whatever is learnt at this age gets deeply embedded in the child's mind and therefore, it is our duty to provide rich experiences to the child to help him develop good habits, proper attitude and an inquisitive mind.

WHERE WE ARE

Mother's Pride Pre School is housed in the prestigious locality of Civil Lines in the heart of Kanpur city in a specially designed fully air conditioned modern building as per vastu with lush green play ground equipped with swings and a splash pool.

PRE SCHOOL HIGHLIGHTS

The UP state's first fully Hi-tech Pre School, which is based on a high quality developmentally appropriate curriculum designed in U.K. & India by child development experts.

The programme focuses on personal excellence for kids to develop physically, mentally, creatively and intellectually as a complete person. Pre school curriculum is to raise your child's self esteem, confidence and emotional intelligence by creating a mentally stimulating and exciting environment. Personalised care and attention for every child. ss rooms, air conditioned building treated as per Vastu for effective teaching. Monitored with cameras in all class rooms and hall with a large TV screen in the principal's room. The school has attractive and child friendly convenient furniture and lush green playground.

AREA & BUILDING

The School Campus covers a huge area. The building is well designed clean, anti skid floors, spacious and well lit class rooms, air conditioned building treated as per Vastu for effective teaching. Monitored with cameras in all class rooms and hall with a large TV screen in the principal's room. The school has attractive and child friendly convenient furniture and lush green playground.

SCHOOL TIMINGS

SUMMER - 8.30 AM to 12.00 Noon
WINTER - 9.00 AM to 12.30 PM.
 (Monday to Friday)

PERSONAL ATTENTION

Highly qualified and experienced teaching staff gives individual attention to the pupils as the number of students in each class is very restricted. The lessons are made interesting with the help of activities. By the time the students pass the preparatory classes, they are fully prepared to cope up with the regular studies of higher classes.

LEARNING ENVIRONMENT

All classrooms are air conditioned for greater efficiency and protect children of tender age from air and noise pollution. The child oriented and innovative day to day programmes consisting of on stage recitation, singing, dancing, arts and crafts, are to be held throughout the year. Teachers stimulate children by interacting with them individually and thus expose them to the joys of learning in play way methods in the activity room, class rooms and play fields.

GOALS OF MOTHER'S PRIDE

Thanks to these priorities, we train healthy happy children who are able to -

- Concentrate for long periods on a single task.
- Have built in motivation and self discipline.
- Find success.
- Complete each task they begin.
- Show initiative and confidence.
- Care for the environment.
- Respect others and their work.
- View other's accomplishments with joy rather than envy.
- Prepare children for primary school.
- Screen free learning.

ACTIVITY HOURS

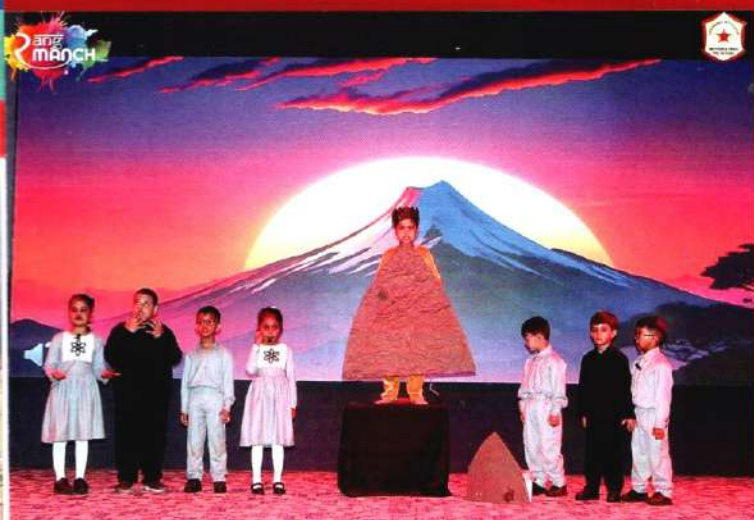

The School has a large activity room which is well stocked with imported educational play systems and games for developing creative faculties.

SPORTS AND GAMES

Facilities exist for almost all indoor and outdoor games. Golf, Base Ball, Bowling alley. Toys, Puzzles, Cycles, Basket ball, Slips etc., Computers, Dance, Dramatics, Vocal Music & Public Speaking.

CHAMPARAN MOVEMENT

CHILDREN & ACTIVITIES

Everyday at the small world of Mother's Pride Pre School, we provide activities that allow a child to move at his own pace in discovery and exploration.

- Emphasis motivation.
- Place children in direct contact with learning materials, rather than forcing information.
- Provide a staff that shows love and affection supporting each child's effort.
- Allow children to study various subjects individually or in small groups.
- Organise the day into flexible blocks of time.
- Encourage parents to visit.
- Expect close support from parents.

TRANSPORT FACILITIES

The school can arrange the transport facility. Rickshaw walla's have been registered after fill police verification. The van facility can also be arranged on request.

MEDICAL FACILITIES

The School has a qualified doctor attached to it, who shall attend to students when the need arises. For minor ailments and injuries, the school has first aid facilities.

SPLASH POOL

School has its own splash pool within the premises along with pool related games. Arrangements have been made to change the water everyday.

HYGIENE & SANITATION

Highest standards of cleanliness are maintained. The motto being cleanliness is next to godliness. Ultra clean toilets are provided with disposable hand towels, etc. Only mineral water is supplied for drinking purposes to prevent any health hazards in disposable glasses, one time use only.

HOBBIES

Students shall be encouraged to learn Music, Dance and other Arts & Crafts, Drawing, Painting, Clay modelling etc. with special impetus on creative learning.

CULTURE & TRADITIONS

Adherence to our cultural roots all the festivals are celebrated in the school with the active participation of the kids to make them aware of our rich culture and traditions

PRINCIPAL'S INTERACTION

Morning assembly shall be conducted by the Principal. This also serves as a platform to convey all important announcements and messages and is to be attended by all students and staff members. Close circuit cameras are installed in the classrooms for the Principal and Parents to observe the classroom activities.

PICNICS AND DAY OUTS

As and when required, kids will be taken to interesting places for picnics.

PARENT TEACHER MEETING

Regular parent-teacher meetings shall be held to form an important link in reviewing the performance of the child for his growth.

INFRASTRUCTURE & SECURITY

The School has its own stand-by generators to ensure uninterrupted power supply and also has its own tubewells for water supply. The School is well guarded round the clock by Security Guards.
